Say she loves me
Know she frontin

Cause I can't let her go

Can't let her go
Her body's callin me
Don't care who knows
Cause she is apart of me

Holding it down
With Hova' gun
Tell dem pass the crown
Yo back again
With this red croom sound
Pandemonium in every single town
What sold out shows unstoppable flows
The best of my day
Watch me do it my way
The youngest boys that will never be forgotten
And when it comes to blowing up

Got your hands up
Keeping your body rockin

Ain't no telling when I'm stoppin
A faced love
By every single kid
