

Angel - 1/2

Interprété par Lionel Richie.

I just want to tell you all the things you are
And all the things you mean to me
When I find myself believing there's no place to go
When I feel the loneliness inside my heart

You're the answer to my prayers
And you're with me everywhere
You're my angel

Miracle

You're all I need tonight
Give me shelter from the rain
You breathe life in me again
You're my angel

Miracle

You're all I need to know
Tonight

Life is just a moment
We're blowing in the wind
We're trying to find a friend
And only time can tell us
If win or if we lose
And who will stand beside us

When there's darkness all around me
You're the light I see
When I need someone to ease my troubled mind

You're the answer to my prayers
And you're with me everywhere
You're my angel

Miracle

You're all I need tonight
Give me shelter from the rain
You breathe life in me again
You're my angel

Miracle

You're all I need to know
Tonight

Oh...

You're all I need tonight
All I need tonight
All I need tonight
You're my angel

You're the answer to my prayers

Angel - 2/2

And you're with me everywhere
You're my angel
Miracle
You're all I need tonight
Give me shelter from the rain
You breathe life in me again
You're my angel
My miracle
You're all I need to know
Tonight
