

## I'm Glad - 1/2

**Interprété par Jennifer Lopez.**

Baby when I think about  
The day that we first met  
(the day tht wefirst met)  
Wasn't lookin' for what I found  
But I found you  
And I'm bound to  
Find happiness in bein' around you

**CHORUS:**

I'm glad when I ' m makin' love to you  
I'm glad for the way you make me feel  
I love it cause you seem to blow my mind  
Every time  
I'm glad  
When we walk you hold my hand  
I'm happy that you know how to be a man  
I'm glad that you came into my life  
I'm so glad

I dig the way you get down  
(you get down thugged out!)  
And you still know how to hold me ( BIS )  
Perfect blend , masculine  
Can't get enough now  
I think I 'm in love  
Damn, finally !

**CHORUS**

I'm glad  
that you know  
turned out to be  
That certain someone special  
Who makes this life  
Worth living  
I'm glad  
You 're here  
Just lovin me  
So say that you wont leave  
' Cause since the day you came  
I' m glad
