

## Got To Have Your Love - 1/2

Interprété par Liberty X.

Every time I close my eyes  
I can early see the image of your smile  
Shinning through my darkest dreams

I never thought I'd find my self this close  
This close to you my dear  
Tell me what it means  
(got to have your love)

I can feel your sweet caress  
Wash away all the loneliness that I once felt  
Inside my heart,oh yeah  
Boy if you can read my mind  
I'm sure that you could find  
What you've been searching for  
What you've been searching for

Bring from dismay,there's so much to share  
If you surrender to me,whao yeah!  
Whisper in my ears,words I long to hear  
Ooo-ooo-ooo,yeah!

Gotta find a way to get into your heart  
Boy I got to have your love  
Gotta find a way to get into your heart  
You know,you know,you know  
I need your love  
Gotta find a way to get into your heart  
Boy I got to have your love  
Gotta find a way to get into your heart  
You know,you know,you know  
I need your love

Yeah!

Listen up  
It's like this  
You're like an angel in disguise  
I feel like I'm in heaven when you walk my way  
You're such a mystery  
(such a mystery)

Butterflies I feel inside must be  
(Must be)  
Must be  
(Must be)  
A sign of love

## Got To Have Your Love - 2/2

No one can disagree  
My desire for your love  
Is like a new horizon only lovers see  
Like you and I  
The signal that will be the start  
To synchronize our hearts  
I love ya till my dying day  
Until my dying day-ay!

Bring from dismay, there's so much to share  
If you surrender to me  
Whispers in my ears, words I long to hear  
Ooo-ooo-ooo

Gotta find a way to get into your heart  
Boy I got to have your love  
Gotta find a way to get into your heart  
You know, you know, you know  
I need your love  
Gotta find a way to get into your heart  
Boy I got to have your love  
Gotta find a way to get into your heart  
You know I need your love  
Gotta find a way to get into your heart  
Boy I got to have your love  
Gotta find a way to get into your heart  
You know I need your love  
Gotta find a way into your heart  
Boy I got to have your love  
Gotta find a way to get into your heart  
You know I need your love
