

Impersonality - 1/1

Interprété par The Goo Goo Dolls.

When I was three feet tall
I loved 'em all
And lived life for myself
Fallin' down for laughs
Your photograph
Some puppets made of felt

Watching life in Oz Thanksgiving eve on Grandma's old TV
Dancing roundabout I'd twist and shout for everyone to see
Impersonality
It's leanin' hard on me
Momma's in a shop
Watching little sister by myself
Robbed a wishing pond
In a fleeting bond
Vowed to share the wealth

Scooping up the coins
A warning shot from some authority
Doesn't matter now but I'll shout out loud for everyone to see
Never got to know you
Did you ever wonder why?
Now it's nice to know ya
And I'm glad you're doing fine

Think of all the time lost
Was it really lost at all?
Now I'm so proud of ya
I'd love to tell you all I see
Listen hard to your realities
Impersonality
It's leanin' hard on me
Impersonality
It's leanin' hard on me
