

Blue Monday - 1/1

Interprété par Orgy.

How does it feel to treat me like you do
When you laid your hands upon me, and told me who you are?
I thought I was mistaken, I thought I heard you speak,
Tell me how do I feel? Tell me now how should I feel?

How does It feel? How should I feel?
Tell me how does It feel, to treat me like you do?

Those who came before me, live throught their vocation,
from the past until completeion they will turn awy no more

And I still find it so hard, to say what I gotta say
But I'm quite sure that you'll tell me, just how I should feel today

I see a ship in the harbor, I can and shall obey
But if wasn't for your misfortunes, I'd be a heavenly person today
I thought it was mistaken, I thought I heard you speak,
Tell me how does it feel? Tell me how should I feel?

Now I stand here waiting (waiting)

And I thought I told you leave me
When I walked out to the beach
T ell me how does it feel, when your heart grows cold (grows cold, grows cold)

How does it feel? how should I feel?
Tell me how does it feel, to treat me like you do?

How does it feel? How should I feel?
Tell me how does it feel, to treat me like you do?
