

All I Need - 1/2

Interprété par Aaliyah.

I, I wanna love
I, I wanna love ya

Baby ever since I found you
Seems like everyday I've been happy
Say the way you say you love me
Tears me out
Baby I can feel my heartbeat
Seems like lately I've been thinking
Feeling, that you are everything
Seems like more and more I'm hoping
That you, will be all I need
All I need

All I need
All I need
All I need is you
Baby you're everything
Everything
Everything to you
Baby All I need
All I need
All I need is you
Baby you're everything
Everything
Everything that's you

Baby just the way you do me
Keepin' me stretched from all your lovin'
Baby it is so amazin'
Never dreamed
I'd be cravin' to be open
Never knew that I could be alive
Swear I
Thought I was a token
Then knowin' that I would realize
Real love now baby I'm hopin' that you
Stay right here with me
Givin' me all
Givin' me all
All the love I need
Baby you're all
All I need

All I Need - 2/2
