

## Made Of Steel - 1/2

**Interprété par Our Lady Peace.**

I can be anything that you want me to be  
A punching bag, a piece of string, oh  
That reminds you not to think

I found the note down in your car  
And its not your fault it gets this hard  
Gets this hard

Hold your head high  
Don't look down  
I'm by your side  
Won't back down  
You wanted a hero tonight

Well I'm not made of steel  
I'm not made of steel  
But your secrets safe with me

I can be anything that you want me to be  
A holy cross, some sympathy, oh  
That reminds you not to bleed

I found the note down in your car  
And you climbed up here to fall apart  
Fall apart

Hold your head high  
Don't look down  
I'm by your side  
Won't back down  
You wanted a hero tonight

Well I'm not made of steel  
I'm not made of steel  
But your secrets safe with me

No...  
Your secrets safe with me

They knock you down  
I'll pick you up...  
They laugh at you  
I'll shut them up

But I'm not made of steel  
But I'm not made of steel  
But I'm not made of steel

## Made Of Steel - 2/2

But your secrets safe with me  
Yeah  
Your secrets safe with me  
But yeah

Hold your head high  
Don't look down  
I'm by your side  
Won't back down  
You wanted a hero tonight
