

## Is There Life After Love ? - 1/1

**Interprété par Shania Twain.**

Every road had a rainbow  
And every wish had a star  
Every tear had a shoulder to cry on  
And every night had guitars  
But every fool's a lonely fool  
And such a fool am I  
'Cause every night I think of you  
And every night I die

Is there life after love?  
Some things aren't certain  
But some things I'm sure of  
Like angels in heaven  
And God up above  
But is there life after love?

You gave me forgiveness  
But you could not forget  
No, I should never have told you  
What I'll live to regret  
The truth lies between us  
And I can't take it back  
No, it's too late for lyin' now  
It's too late for that

Is there life after love?  
Some things aren't certain  
But some things I'm sure of  
Like angels in heaven  
And God up above  
But is there life after love?

Here I am, there you are  
We're so far apart  
Let's pretend that I've never been  
In his hands, in his heart  
Can't we just start  
All over again?

Is there life after love?  
Some things aren't certain  
But some things I'm sure of  
Like angels in heaven  
And God up above  
But is there life after love?

Is there life after love?
