

Hello - 1/1

Interprété par Sita.

Why should I go why should I care
How could I know it wasn't fair

What if I'll forget it all
What if I say

Chorus:

Hello

Im the one you've been looking for

I know that its true

Lets go I don't know if you're really sure

I don't have a clue

I tried to go i tried to care

It didn't show

It wasn't fair

what if i'll forget it all

what if i say

Chorus

I try I try

I try I try

to show to show

but I don't know

I try I try

I try I try

to show to show

but I don't know
