# Smallville - 1/1

**Interprété par Génériques TV.**

I feel my wings have broken
 In your hands
 I feel the words unspoken
 Inside
 When they pull you under
 And I would give you any thing you want
 You were all I wanted
 All my dreams are falling down
 Crawling round and round and round

 Somebody save me
 Let your waters break right through
 Somebody save me
 I don't care how you do it
 Just save, save
 Come on
 I've been waiting for you

 I see the world has folded in your heart
 I feel the waves crash down inside
 And they pull me under
 And I would give you anything you want
 You were all I wanted
 All my dreams have fallen down
 Crawling round and round and round

 Somebody save me
 Let your waters break right through
 Somebody save me
 I don't care how you do it
 Just save, save
 Come on
 I've been waiting for you

 All my dreams are on the ground
 Crawling' round and round and round

 Somebody save me
 Let your waters break right through
 Somebody save me
 I don't' care how you do it
 Just save me, save me
 I've made this whole world shine for you
 Just save, save
 Come on
 I'm still waiting for you
