

Nothing left at all - 1/1

Interprété par Cranberries.

Know it's over but the thoughts of you go on,
Nothing here, nothing left at all.

How I swore that I would never feel like this again,
But then you , you brought it through.

Oh no is there any reason I should walk away,
Is it wrong, is it wrong to want to stay,

And I know if I had the choice I'd never let you go,
Do you know, do you really want to know.

Well now the thoughts of you just circle in my mind,
Hard to find, you were really hard to find.

Oh and although, though I swore I'd never feel like this again,
I can't take it anymore.

Because I know if I had the choice I'd never let you go,
Do you know, do you really want to know.

And I didn't think, I didn't think I'd think about you in this way,
Well really, you really made my day.

Now, now it's over but the thoughts of you go on,
Nothing here, nothing left at all.

How I swore I'd would never feel like this again,
But then you, you brought it through
