

## No regrets - 1/2

**Interprété par Robbie Williams.**

Tell me a story, where we all change  
And we'd live our lives together  
And not estranged  
I didn't lose my mind it was mine to give away  
Couldn't stay to watch me cry  
You didn't have the time so I softly slip away

No regrets/They don't work  
No regrets now/They only hurt  
Sing me a love song  
Drop me a line  
Suppose it's just a point of view  
But they tell me I'm doing fine

I know from the outside  
We looked good for each other  
Felt things were going wrong  
When you didn't like my mother  
I don't want to hate but that's all you've  
Left me with a bitter aftertaste and a fantasy  
Of how we all could live

No regrets/They don't work  
No regrets now/They only hurt  
(We've been told you stay up late)  
I know they're still talking  
(You're far too short to carry weight)  
The demons in your head  
(Return the videos they're late)  
If I could just stop hating you  
(Goodbye)  
I feel sorry for us instead

Remember the photographs (insane)  
The ones where we all laugh (so lane)  
We were having the time of our lives  
Well thank you it was a real blast

No regrets/They don't work  
No regrets now/They only hurt  
Write me a love song  
Drop me a line  
Suppose it's just a point of view  
But they tell me I'm doing fine

Everything I wanted to be every time I walked away  
Everytime you told me to leave I just wanted to stay

## No regrets - 2/2

Everytime you looked at me and everytime you smiled  
I felt so vacant you treat me like a child  
I loved the way we used to laugh  
I loved the way used to smile  
Often I sit down and you think of you for a while  
Then it passes me by and I think of someone else instead  
I guess the love we once had is officially dead
