

## Grace - 1/1

**Interprété par Robbie Williams.**

Sometimes I feel like I am  
Sailing on a sunken dream  
I try to read the signs  
But don't know what they mean  
I know when I'm with you  
I'm a rich man baby

Grace, I'm not yet born  
Come embrace, a soul that's torn  
I have got so much to give you

My heart is starved of love in these radio days  
I try to listen hard to what my conscience says  
I know I've sold my soul I'm going to earn it back now

**CHORUS**

Now that you believe in me we can fly away  
Somewhere safe  
I know that you will always be giving more than you take

**CHORUS**

Grace, it can mend if you make my heart your friend

Grace
