

Run on - 1/1

Interprété par Moby.

Lord God Almighty let me tell the news
my head got wet in midnight dew
great God i been down on my bended knees
talking to a man from galilee
michael spoke and he sound so sweet
i thought i heard the shuffle of angels' feet
He put one hand upon my head
great God Almighty let me tell you what He said

[bridge:]

go tell that lonesome liar
go tell that midnight rider [??]
tell the gamblin', ramblin' backslider
tell them God Almighty gonna cut 'em down

[chorus:]

you might run on for a long time
run on, ducking and dodging
run on, children [?], for a long time
let me tell you God Almighty gonna cut you down

you might throw your rock [?], hide your head
work in the dark with your fellow men
sure as God made you rich and poor
you're gonna reap just what you sow

[chorus] x3

some people go to church just to signify
trying to make a date with a neighbor's wife
brother let me tell you just as sure as you're born
you better leave that woman alone

[bridge]

[chorus] x8
