

Parade - 1/2

Interprété par Garbage.

KABOOM

Get it right

Get it right now

Get it right

Do it good

Get it right now

KABOOM

Get it right

Get it right now

Get it right

Do it good

Get it right now

Oh let's bomb the factory

That makes all the wannabes

Let's burst all the bubbles

That brainwash the masses

As far as I can tell

It doesn't matter who you are

If you can believe there's something worth fighting for

The color of an eye

The glory of a sudden view

The baby in your arms

The smile he always shoots at you

Believing in nothing

Makes life so boring

So let's pray for something

To feel good in the morning

As far as I can tell

It doesn't matter who you are

If you can believe there's something worth fighting for

The color of an eye

The glory of a sudden view

The baby in your arms

The smile he always shoots at you

KABOOM

Get it right

Get it right now

Get it right

Do it good

Get it right now

KABOOM

Get it right

Parade - 2/2

Get it right now
Get it right
Do it good
Get it right now
KABOOM
KABOOM
KABOOM
KABOOM

Oh doctor
We're dying
There's no use in crying
So live for tomorrow
And do what you have to

As far as I can tell
It doesn't matter who you are
If you can believe there's something worth fighting for
The color of an eye
The glory of a sudden view
The baby in your arms
The smile he always shoots at you

Oh let's pray for something
To feel good in the morning
In the morning
As far as I can tell (Get it right now)
In the morning
As far as I can tell (Get it right now)
In the morning
As far as I can tell (Get it right now)
As far as I can tell (Get it right now)
As far as I can tell (Get it right now)
