

The world is not enough - 1/1

Interprété par Garbage.

I know how to hurt
I know how to kill
I know what to show
And what to conceal
I know when to talk
And I know when to touch
No one ever died from wanting too much
The world is not enough
But it is such a perfect place to start, my love
And if you're strong enough
Together we can take the world apart, my love
People like us
Know how to survive
There's no point in living
If you can't feel the life
We know when to kiss
And we know when to kill
If we can't have it all
Then nobody will
I...I feel sick
I...I feel scared
I...I feel ready
And heaven prepare
The world is not enough
The world is not enough
