

## Morning bell - 1/1

**Interprété par Radiohead.**

Morning bell  
Morning bell  
Not another encounter  
Release me  
Release me

You can keep the furniture  
A bump on the head  
Howling(?) down the chimney  
Release me  
Release me  
Please.....  
Release me  
Release me

Where'd you park the car?  
Where'd you park the car?  
Clothes are all ?? with the furniture  
Now I might as well  
I might as well  
Sleepy jack the fire drill  
Run around around around around....

Cut the kids in half (x3)

The lights are on but nobody's home  
Everybody wants to be a  
The lights are on but nobody's home  
Nobody wants to be a slave  
Walking walking walking walking.....

The lights are on but nobody's home  
Everybody wants to be a  
Everyone wants to be a friend  
Nobody wants to be a slave  
Walking walking walking walking...
