

I can't - 1/1

Interprété par Radiohead.

Please forget the words that I just blurted out
It wasn't me, it was a strange and creepy doubt

They keep drivin' in my cage
There's nothing in this world to keep the time

Even though I might,
Even though I try,
I can't

See the things that keep, keep me uninvolved
Silly words that I, that I can't live without

If you give up on me now,
I'll be gutted like I've never been before

Even though I might,
Even though I try,
I can't
