

Cry myself to sleep - 1/1

Interprété par Cher.

Every night I lay my head
On my pillow on my bed
And I just cry myself to sleep
I know I shouldn't cry
Over words that were all lies

But still I cry myself to sleep
Each night I fight the tears would still
They fall and all the memories linger on
He's gone, he's gone
And now there's nothing but to cry
Cry myself to sleep

But still I cry myself top sleep
Each night I fight the tears would still
They fall and all the memories linger on
He's gone, he's gone, he's gone
And now there's nothing but to cry

Oh cry myself to sleep
Whoa, cry myself to sleep
Oh, cry myself top sleep
