

Until it's time for you to go - 1/1

Interprété par Cher.

You're not a dream, you're not an angel you're a man
I'm not a queen, I'm a woman take my hand
We'll make a space in life that we plan
And here we'll stay until it's time for you to go

Yes, we're different worlds apart, we're not the same
We laughed and played at the start, like in a game
You could of stayed outside my heart, but in you came
And here you'll stay until it's time for you to go

Don't ask why
Don't ask how
Don't ask forever
Love me now

This love of mine had no beginning, it has no end
I was an oat, now I'm a willow, now I can bend
And though I'll never in my life see you again
Still I'll stay until it's time for you to go

Don't ask why of me
Don't ask how of me
Don't ask forever of me
Love me, love me now

You're not a dream, you're not an angel you're a man
I'm not a queen, I'm a woman take my hand
We'll make a space in life that we plan
And here we'll stay until it's time for you to go
