I FEEL LIKE SOMETHING'S IN THE AIR

I feel something in the air
Something that was never there
I feel something starting to live in me
Something only God could give to me
Could give to me

I feel magic everywhere
Even though I'm supposed to care
About all the things that
My neighbours will think of me
And how I should act
When they say what a nice girl
I used to be, I used to be

My mom will say
"My God, what you've done"
I told you that Maurie was only a bum
My daddy will rage
Like a storm on the sea, sayin'
"Now, look what you've done to me"
Even though I care
I feel magic in the air

What's the matter with you baby
Did you fall too hard?
Did you fall in love?
Did you fall in love?
What's the matter with you baby
Did you fall too hard?

I feel magic everywhere
Even though I'm supposed to care
About all the things that
My neighbours will think of me
And how I should act
When they say what a nice girl
I used to be, I used to be
I used to be
