

Fire and rain - 1/1

Interprété par Cher.

Just yesterday morning
They let me know that you were gone
Susan the plans they made put an end to you
I walked out this morning and I wrote down this song
I just can't remember who to send it to

Chorus:

I've seen fire and I've seen rain
I've seen sunny days
That I thought would never end
I've seen lonely times
When I could not find a friend
But I always thought that I'd see you again

Oh, look down upon me, Jesus
You gotta help me make a stand
You just got to see me through another day
My body's aching and my time is at hand
And I won't make it any other way

(chorus)(adding "oh" before the first line)

I've been walking my mind to an easy time
Back turned towards the sun
Lord knows when the cold wind blows
It'll turn you head around
Well there's hours of time on the telephone line
To talk about things to come
Sweet dreams and flying machines
In pieces on the ground

(chorus)
