

## the long and winding road - 1/1

Interprété par Cher.

The long and winding road  
That leads to your door  
Will never disappear, oh  
I've seen the roads before  
And it always leads me here  
Leads me to your door

The wild and windy night  
That the rain washed away  
Have left a pool of tears  
Ah crying for the day  
Why leave me standing here  
Ah let me know the way

Cause many times I have been alone  
And many time I've cried  
And any way you never know  
What many times I tried  
Still they lead me back

To that long winding road  
You left me standing here dear  
A long, long time ago  
Don't leave me standing here  
Take me to your door

But still they lead me back  
To that long winding road  
You left me standing here  
A long, long time ago  
Oh please don't leave me here alone  
Take me, take me to your door
