

I saw a man and he danced with his wife - 1/2

Interprété par Cher.

I was by myself drinking
Chilled lonely wine
Then he walked in with some woman
Who's place was once mine
And she wore his ring on her finger
And the band began a song
I'd heard before

Chorus:

I saw a man and he danced with his wife
How I wished he was dancing with me
'Cause I remember before
When we danced on this floor
His eyes were only on me

Where did I go wrong?
They were playing our song
While I was crying all night long

I kept watching as they danced so divine
I kept hoping, kept on looking
But I couldn't catch his eye
Oh, then he got up and he saw me
But he just walked right on by
And danced with her

(chorus)

Where did I go wrong?
They were playing our song
While I was crying all night long

Two weeks later I heard a knock on my door
He was back just like all those good time before
Oh, then he kissed me and he told me
"I left her 'cause I love you,
So much more than I knew"

I saw a man and he danced with his wife
But now he's dancing with me
I remember before when we danced on this floor
His eyes were only on me

I saw a man and he danced with his wife
But now he's dancing with me
I remember before when we danced on this floor

I saw a man and he danced with his wife - 2/2

His eyes were only on me
