

## Train of thought - 1/1

**Interprété par Cher.**

When you're talking in your sleep  
And the name that you whisper ain't mine  
And I've finally faced the fact  
That you're cheating on me one more time

When my anger starts to rumble  
And my steam starts to rise  
And the wheels keep turning faster  
As I think of all your lies

Oh my train of thought's  
Running right on time  
But it's off the track  
And I'm losing my mind  
'Cause the way you used me's  
Gonna drive me insane honey  
Say you'll never leave me  
For God's sake stop the train

Oh the Camel's back is broken  
By the one extra straw added on  
And a woman can't see reason  
When her last ray of sunshine is gone

There's a finger on the trigger  
And that locomotive sound  
And I think how much I love you  
And I turn the gun around

Oh my train of thought's  
Running right on time  
But it's off the track  
And I'm losing my mind  
And you hold me the last time  
As I try to explain, honey  
Don't feel bad about me  
I just had to stop this train

Gotta get off, gotta get off  
Gotta get off, gotta get off  
Gotta get off, gotta get off  
This train of thought

Gotta get off, gotta get off  
The train of thought  
Gotta get off, gotta get off  
The train of thought
