

Magic in the air - 1/1

Interprété par Cher.

I feel something in the air
Something that was never there
I feel something starting to live in me
Something only God could give to me
Could give to me

Chorus:

I feel magic every where
Even though I'm supposed to care
About all the things that my neighbors

When they say what a nice girl

My mom will say my god what've you done
I told you that boy was only a fun
My daddy will raise like a storm on the sea
Say now look what you've done to me
Even though I care, I feel magic in the air

What's a matter with you baby
Did you fall too hard when you fall in love
You fall in love
What's a matter with you baby
Did you fall too hard

(chorus)

I used to be
