

## Needles and pins - 1/2

**Interprété par Cher.**

Saw him today, I saw his face  
It was the face I love  
And I knew I had to run away  
And get down on my knees and pray  
That they go away but still they begin

Needles and pins  
Because of all my pride  
The tears I gotta hide

Hey I thought I was smart  
I'd won his heart  
I didn't think I'd lose  
But now I see she's worse to him than me  
Let him go ahead take her love instead  
And one day he will see  
Just how to say please

Whoa, and get down on his knees  
That's how it begins  
He'll feel those needles and pins  
Hurtin' him, hurtin' him

Whoa, can't I stop and tell myself  
It's wrong, so wrong, so wrong  
Why can't I stand up Tell myself it's wrong

Because I saw him today  
I saw his face it was the face I love  
I can't let go, although I know  
He'll make me cry until the day I die

But people I got to live now  
Whoa, Lord knows I should forgive now  
That's how they begin  
He'll feel those needles and pins

Somebody stop em now  
Stop those needles and pins  
Whoa, stop 'em now  
Stop those needles and pins  
Somebody take'em away now  
Stop 'em now  
Stop those needles and pins

Stop those needles and pins, now  
Oh, no, somebody take 'em away
