

## Save up all your tears - 1/2

Interprété par Cher.

I can't figure you out  
But a heart must be the one thing  
You were born without  
I've been wastin' my time  
I don't know where I'll sleep tonight

You say that you can do without me  
Go ahead now try and live without me

Chorus:

Baby save up all your tears  
You might need them someday  
When the tears start to fall  
I won't wipe them away  
When you cry in the night  
For the love that you need  
Baby save up your tears  
'Cause you'll be cryin' over me

You got used to my touch  
I got used to not, not feelin' much  
Winter set in your eyes  
Time will melt your castle of ice

You think that you won't feel the pain now  
But your eyes will be cryin' like the rain now

(chorus)

You'll be cryin' over me  
('Cause you'll be crying over me)

You don't know it now  
You don't know it now  
You don't know it now  
You don't know it now  
You don't know it now  
But some wounds get deeper with time

You don't feel it now  
Till the need burns, a knife turns  
Your heart bleeds like mine

(chorus)(repeat)

You'll be cryin' over me

## Save up all your tears - 2/2

'Cause you'll be cryin' over me  
You'll be cryin' over me  
You'll be cryin' over me  
You don't feel it now  
You'll be cryin' over me
