

## We all sleep alone - 1/1

**Interprété par Cher.**

Somebody, somewhere turns off the lights  
Somebody all alone faces the night  
You got to be strong  
When you're out on your own  
'Cause sooner or later  
We all sleep alone

Nobody nowhere holds the key to your heart  
When love's a possession it'll tear you apart  
You may have lovers wherever you roam  
But sooner or later  
Oo, we all sleep alone

Bridge  
The young and the young at heart wait  
But the wait never ends in the soul  
When you feel like it's all blown away  
Independence has come  
And into the night I go

Don't make no promises  
That I can't keep  
I won't be no prisoner  
Of somebody's needs  
Well you may have lovers  
Wherever you roam  
But sooner or later  
We all sleep alone

Oo, we all sleep alone  
Oo, we all sleep alone yeah, yeah  
We all sleep alone  
And I know and I know  
How you feel what you're thinkin'  
What you're sayin' to me  
'Cause we all sleep alone  
Yes, we all sleep alone  
Yeah, yeah
