

Latest craze - 1/2

Interprété par Seal.

Warmth
Security
And all that comes with it

Still the wondering
How it ever felt this good
When you do it by daylight
In company
Or even by yourself

If they tell you
It gets harder
Then something's right
But trust me
If you're feeling it
It gets easier by the night

When you do it daylight
Or even in company
That's okay

But if it felt the same
A little superficial
I figure if it's good to me
It's the latest craze
The latest craze

Tell me
Father
Say that it's no good
I'm doing something
Frankly, I don't think that I should
Any fool can see
There's no guarantee
No

If they tell you
It gets harder
Then something's right
But trust me
If you're feeling it
It gets easier by the night
When you do it in daylight
Or even sometimes in company
That's okay

But if it felt the same

Latest craze - 2/2

A little superficial
I figure if it's good to me
Then it's the latest craze

And if it felt the same
Yet slightly superficial
I figure if it's all new to me
It's just the latest craze
It's just the latest craze

What does this mean to me
Any fool can see (any fool can see)
It's just a fantasy (it's just a fantasy)
Ohh yes my faith

It's just the latest craze
It's the latest craze
It's the latest craze

Any fool can see
I'm doing something
Frankly, I don't think that I should
