

## Fast changes - 1/2

**Interprété par Seal.**

Maybe if I search my mind a little,  
I&#039;d come across the reason why you&#039;re gone.  
Maybe if I searched a little while.

And if I try to reconcile a little,  
Then maybe I will know for how long.  
This time  
Well here we are,  
In separate rooms.

I can hear you sighing.  
Saying "No way out" or so it seems.  
Dry our tears, we&#039;re flying straight on through that window.

Fast changes arriving.  
Slow changes moving out.  
Here we are.

Now maybe if I took the time a little,  
Then maybe I would know for how long.  
This time.

Well here we are,  
In separate rooms.  
I can hear you sighing.  
Saying "No way out" or so it seems.

Dry our tears, we&#039;re flying straight on through that window  
Fast changes arriving, they come around  
Slow changes moving out

Here we are  
Fast changes they come around slow changes...  
Fast changes arriving.  
Are moving out...  
And slow changes are moving out

Here we are.  
Here we are.

A Change.....  
Ohh

Here we are in separate rooms  
I can hear you crying. Saying "No way out" or so it seems  
Dry our tears, we&#039;re flying straight on through that window-oh.  
Fast changes

## Fast changes - 2/2

They come around, slow changes are moving out  
Fast changes arriving and slow changes are moving out

Fast changes arriving.  
They come around  
And slow changes are moving out

Here we are.  
Fast changes arriving.  
fast changes they come around, slow changes...  
Are moving out...  
Slow changes are moving out.

Here we are.

Fast changes. They come around slow changes are moving out...  
Fast changes Fast changes have come around

Here we are  
Fast changes

Here we are.  
Here we are.  
Here we are.  
Here we are.  
Ohh.....
