Real life - 1/2

Interprété par Atomic Kitten.

Mmm bop it's real life
Mmm bop it's just real life
Mmm bop it's real life
Mmm bop it's just real life
Stop me if you've heard this
It's the one about the King
Who's married to the princess
That brings good use to wear his ring

She's tired and she's lonely
Cause she's sittin there at home
He's out there with his buddies
And you know what they are doin

Mmm bop it's real life
Mmm bop it's just real life
Mmm bop it's real life
Mmm bop it's just real life

Stop me if you've heard this
Yeah the one about the boy
That's wasting all his money
Buying nasty little toys

He Thinks the girlies love it
But this ain't no fairytale
They just want what's in his wallet
Don't pass go just go to jail

Mmm bop it's real life
Mmm bop it's just real life
Mmm bop it's real life
Mmm bop it's just real life

You're never gonna change a thing
So just stop flappin
You're never gonna do with what you cannot see

Mmm bop, shake it baby
Mmm bop, aww go on
Mmm bop, oh baby
now now now

Now you don't wanna hear this
Cause it's all about yourself
Your single and your twenty
And you think your on the shelf

Real life - 2/2

Your life fits with a mad cap
like a dog without a bone
You're half way to a breakdown
Cause your bodywear hasn't formed
Awww bop

"Mmm bop it's real life
Mmm bop it's just real life
Mmm bop it's real life
Mmm bop it's just real life" (X2)

You're never gonna change a thing
So just stop flappin
You're never gonna do with what you cannot see
You're twenty twenty vision will not stop it happenin

The best you can do is to duck and avoid
All the flack and just and sing it with me
bop

Mmm bop it's real life
Mmm bop it's just real life
Mmm bop it's real life
Mmm bop it's just real life
Stop me if you've heard this (Mmm bop it's real life)
Yeah the song about your self (Mmm bop it's just real life)
Stop Me if you've heard this (Mmm bop it's real life)
Cause you think your off the shelf (Mmm bop it's just real life)
Stop me if you've heard this (Mmm bop it's real life)
Cause you think your off the shelf
