

## Barker Of The U.F.O. - 1/1

Interprété par Bee Gees.

Barker sing me a song  
Instead of counting trees,  
collecting aeroplane numbers now, Mr Barker  
Live it up, shine my shoes  
Fly me to the moon ,  
never before have I seen the light, Mr Barker  
Then the moment of depression fell around , Mr Barker  
And the changes of expression to a frown, My friend Barker  
There must be something there  
Shiner of the light, we demand we are here, Mr Barker
