

I love rock and roll - 1/2

Interprété par Britney Spears.

Hey!? Is this thing on?

I saw him dancing there by the record machine
I knew he must have been about seventeen
The beat was going strong
Playing my favourite song

And I could tell it wouldn't be long
'til he was with me

YEAH with Me

I could tell it wouldn't be long
'til he was with me

YEAH With me Singin'

I love Rock 'N Roll
So put another dime in the jukebox, Baby
I love Rock N' Roll
So come and take your time and dance with me

Ouw !

He smiled, so I got up and asked for his name"
That don't matter," he said, "'cause it's all the same."
He said, "Can I take you home where we can be alone?"
And next we were moving on
and he was with me, yeah, with me
And we were moving on
and singin the same old song

Yeah with me

Singing:

I love Rock N' Roll
So put another dime in the jukebox, Baby
I love Rock N' Roll
So come and take your time and dance with me

I love Rock N' Roll

'cause it suits my soul
I love Rock N' Roll Yeah....

He said, "Can I take you home where we can be alone?"
