

All Of My Life - 1/1

Interprété par Bee Gees.

There are times that I should go away to think of you and I
For it isn't only now ,I need your love
All of my life , all of my life

In the night time when I lie awake and think of you in my heart For it isn't only now, I need your love All of my life, all of my life

Oh wouldn't you believe me if I told you that I love you , and I do Ev'ryone believes me when I tell them Why don't you , why don't you

When I think of things that ought to be and I feel your hand in mine
Yes it isn't only now, I need your love
All of my life, all of my life

La.....
All of my life, all of my life

Oh wouldn't you believe if I told you that I love you, and I do Ev'ryone believes me when I tell them Why don't you, why don't you

When I think of things that ought to be and I feel your hand in mine
Yes it isn't only now, I need your love
All of my life, all of my life
All of my life
All of my life
All of my life
