

## Treehouse - 1/1

**Interprété par Nadasurf.**

I can see the things she does for me  
I'm living in a treehouse  
I live in constant fear  
Awakening must be near  
I'm sleeping in a dreamhouse  
Up in the trees

A tine in the fork in the road is pointing to heaven  
But the sky is old  
A tine in the fork in the road is pointing at nothing  
Cause it's all been sold

I live with you  
To die in a jamais vu  
I love you  
But this isn't true

I can see the things she does for me  
I'm living in a treehouse  
I live in constant fear  
Awakening must be near  
I'm sleeping in a dreamhouse  
Waiting for the end
