

Love - 1/1

Interprété par Le journal de Bridget Jones.

Love, I am so different
Love, I am so different than before

Love, can I be loved
Love, could I ever really be loved
Love, if you ever find me I wonder
Will you try me I'm so different than before
Love, the kind that I've dreamed of
Well let's stop right here inside of me love
Love, if you ever find me I wonder
Will you try me I'm so different than before
Love, I am so different than before

Love, where are you waiting
In dark and smoky room I hear you singing to me
Love, let my voice take you and the song we make would be so different than before
Ooh yes
Love, if you ever find me I wonder
Then I ask you try me I am so different than before
Love, I am so different than before

The word is out, the time is gone
Begin again remember my love
Make it strong
Stretching out to everyone
Nothing replays
This is what I want, this is what I make
Every little thing gonna be alright
One day or so you'll be my love
This time you won't mistake me
I'm ready love for you to take me with you
Love, if you ever find me I wonder
Will you try me I'm so different than before
Ooh yes
My love, I know when you found me I'll rock yourself all around me
Then I ask you try me I am so different than before
Ooh yes,
MY love I know you'll show me the words
