

Alone - 1/1

Interprété par Ben Harper.

This empty room it fills my mind
Freedom is lease make it fine
Every single rope has break
But in this life you can't turn back
I don't want to live
I don't want to live
Alone, alone, alone
As these words are with my tongue
I question why they even sounds
I promised but I lied
I don't even know myself inside
I don't want to be
I don't wanna be here
Alone, alone, alone
Today and tomorrow have become one
Every single thing that has become none
You monday child is a beast
What I've done most to show at the least
Please don't leave me here, please don't leave me here
Don't you leave me
Alone, alone, alone
