

## Beloved one - 1/1

**Interprété par Ben Harper.**

We have both been here before  
Knockin upon love's door  
Begging for someone to let us in  
Knowing this we can agree  
To keep each other company  
Never to go down that road again  
My beloved one, my beloved one  
Your eyes shine through me  
You are so divine to me  
Your heart has a home in mine  
We won't have to say a word  
With a touch of (?)  
When I search my hearth it's you I find  
My beloved one, my beloved one, my beloved one  
You were meant for me  
I believe you were sent to me  
From the dreams trailing to my heart  
Hold your body close to me  
You mean most to me  
We will keep each other safe from harm  
My beloved one, my beloved one, my beloved one
