

Fell on black days - 1/1

Whatsoever I've feared has come to life
Whatsoever I've fought off became my life
Just when everyday seemed to greet me with a smile
Sunspots have faded
And now I'm doing time
Cause I fell on black days

Whomsoever I've cured I've sickened now
Whomsoever I've cradled I've put you down
I'm a search light soul they say
But I can't see it in the night
I'm only faking when I get it right
Cause I fell on black days
How would I know
That this could be my fate

So what you wanted to see good has made you blind
And what you wanted to be yours has made it mine
So don't you lock up something that you wanted to see fly
Hands are for shaking
No, not tying
No, not tying

I sure don't mind a change
But I fell on black days
How would I know
That this could be my fate
