

Consequence - 1/1

Interprété par Incubus.

Blink and you miss a beat.
Keep one of your eyes open at all times.
Think that you're on the brink?
The shit hasn't even begun to hit the fan.
Consequence you'll see will be stranger than a gang of drunken mimes.
Situation has a stink.
Better clear the air before your son becomes a man.
Blink. Everything's been augmented,
you've been left so far behind.
Think, for sure, next time you should wear a pair of eyes
in the back of your head.
Consequence you've seen has been stranger than sci-fi of any kind.
Situation baffles me.
I guess it's true you too are one of the walking dead.
You better think fast!
Cause' you never know what's comin' around the bend.
You better not blink!
For Consequence is a bigger word than you think.
It's bigger than you or me.
