

Scatterheart - 1/1

Interprété par Dancer in the dark.

Black night is falling
The sun is gone to bed
The innocent are dreaming
As you should, sleepy-head
Sleepy-head, sleepy-head:

All the love above
I send into you
Comfort and protection
I'll watch over you

But don't ask me
What's gonna happen next
I know the future
I'd love to lead you the way
Just to make it easier on you

You are gonna have to find out for yourself

My

Dearest

Scatterheart

There is comfort
Right in the eye
Of the hurricane
Just to make it easier on you

You are gonna have to find out for yourself

All the hurt in the world
You know
There's nothing I'd love to do more
Than spare you from that burden
It's gonna be hard

If I only could
Shelter you
From that pain
Just to make it easier on you

You are gonna have to find out for yourself
