

## This old heart of mine (is weak for you) - 1/2

Interprété par Ally McBeal.

Interprété par Rod Stewart

This old heart of mine been broke a thousand times  
Each time you break away I feel you're gone to stay  
Lonely nights that come, memories that flow  
Bringin' ya back again, hurting me more and more

Maybe it's my mistake to show this love that I feel inside  
'Cause each day that passes by  
Ya got me never knowin' if I'm comin' or goin' 'cause

I love you-ou-ou, yes, I do  
This old heart (ooh)  
I love you-ou-ou, yes, I do  
Yes, I do, wait for me

I try hard to hide my hurt inside  
This old heart of mine always keep me cryin'  
The way you're treatin' me leaves me incomplete  
Yeah, you're here for the day, gone for the week

But if you leave me a hundred times  
A hundred times I'll take you back  
I'm yours whenever you want  
I'm not too proud to shout it, tell the world about it 'cause

I love you-ou-ou  
This old heart (this old heart) waits for you  
SPOKEN: And I love ya!  
I love you-ou-ou (hoo hoo)  
This old heart waits for you (scream)

(instrumental interlude)

This old heart of mine been broke a thousand times  
Each time you break away I feel you're gone to stay
