

Love by grace - 1/1

Interprété par Lara Fabian.

I remember the rain on the roof that morning
And all the things that I wanted to say
The angry words that came from nowhere without warning
That stole the moment and sent me away
And you standing there at the
doorway crying
And me wondering if I'd ever be back
Chorus:
I said I didn't come here to leave you
I didn't come here to lose
I didn't come here believing I would ever be away from you
I didn't come here to find out
There's a weakness in my faith
I was brought here by the power of love
Love by grace
And I remember the road just
went on forever
Just couldn't seem to turn that
car around
'Til in the distance like a long
lost treasure
A phone booth that just could
not be found
And you standing there at the
doorway waiting
And the moment when we laid
back down
Chorus
That was just a moment in time
And one we'll never forget
One we can leave behind
'Cause when there was doubt
You'll remember I said
I didn't come here believing I would ever be away from you
I didn't come here to find out
There's a weakness in my faith
I was brought here by the power of love
I was brought here by the power of love
Love by grace
