

## The bluest eyes in Texas - 1/2

The lonesome Texas sun was setting low  
And in the rearview mirror I watched it go  
I can still see the wind in her golden hair  
I close my eyes for a moment, I'm still here

The bluest eyes in Texas  
Are haunting me tonight  
Like the stars that fill  
The midnight sky  
Her memory fills my mind  
(Where did I go wrong)  
Did I wait too long  
Or can I make it right  
The bluest eyes in Texas (the bluest eyes)  
Are haunting me tonight

Another town, another hotel room  
Another dream that ended way too soon  
Left me lonely way before the dawn  
Searching for the strength to carry on

The bluest eyes in Texas  
Are haunting me tonight  
Like the stars that fill  
The midnight sky  
Her memory fills my mind  
(Where did I go wrong)  
Did I wait too long  
Or can I make it right  
The bluest eyes in Texas (the bluest eyes)  
Are haunting me tonight, tonight

For every heart you break  
You pay the price  
But I can't forget the tears  
In her blue eyes

The bluest eyes in Texas  
Are haunting me tonight  
Like the stars that fill  
The midnight sky  
Her memory fills my mind  
(Where did I go wrong)  
Did I wait too long  
Or can I make it right
