

Contradictions - 1/1

Interprété par Natalie Imbruglia.

Seventeen years in a dead end job,
Telling his dreams to a deaf eared god,
Hangin' on tight by a single thread,
Prayin' for a change.
Everything you could have sacrificed,
Your flesh and blood had it's own sweet price,
Baby's all grown up and moved away,
Where's that leave you now?
It was your own decision,
You made my life your mission.
Somebody tell me,
(it doesn't make no sense at all)
Somebody tell me,
Why we're living in a world of contradiction.
Why is it so hard to be understood?
Doing so much for the common good,
Sorry if I didn't see the truth,
The sadness in your eyes.
I wanted to stand on my own two feet,
Looking at life as a one way street,
Thinking that I had it all worked out,
Where's that leave me now?
We lost communication,
Too many expectations.
Somebody tell me,
(it doesn't make no sense at all)
Somebody tell me,
Why we're living in a world of contradiction,
Somebody tell me,
(it doesn't make no sense at all)
Somebody tell me,
Why we're living in a world of contradiction.
Everything I have inside,
I kept it wrapped up tight,
All I know is ...
All I want to know is...
