

# Change will come - 1/1

**Interprété par Elliott Murphy.**

Were's so East Coast, so here's a toast  
So here's to everything that I wanted the most - the most  
And baby now, it's over now  
I'm just sitting here though I'll stand up somehow - somehow

Got a date with a diamond ring  
The tramps in the alley watch her shake that thing  
I say it's all right mama - it's all right now  
I never really wanted any of it anyhow  
Change will come

We were so New-York - silver spoon and plastic fork  
We wanted everything and we wanted a little bit more  
Give me some more  
Can you see - it's hard to see  
She says "I'm looking for a lover"  
You say "Don't take a look at me - look at me"

Got a date with a diamond ring  
The tramps in the alley watch her shake that thing  
I say it's all right mama - it's all right now  
I never really wanted any of it anyhow  
Change will come
