

## It must be love - 1/1

**Interprété par Madness.**

I never thought I'd miss you  
Half as much as I do  
And I never thought I'd feel this way  
The way I feel  
About you  
As soon as I wake up  
Every night, every day  
I know that it's you I need  
To take the blues away

It must be love, love, love  
It must be love, love, love  
Nothing more, nothing less  
Love is the best

How can it be that we can  
Say so much without words?  
Bless you and bless me  
Bless the bees  
And the birds  
I've got to be near you  
Every night, every day  
I couldn't be happy  
Any other way

It must be love, love, love  
It must be love, love, love  
Nothing more, nothing less  
Love is the best

As soon as I wake up  
Every night, every day  
I know that it's you I need  
To take the blues away

It must be love, love, love  
It must be love, love, love  
Nothing more, nothing less  
Love is the best

It must be love, love, love...
