

New kid in town - 1/1

Interprété par Eagles.

There's talk on the street, it sounds so familiar
Great expectations, ev'rybody's watchin' you
People you meet they all seem to know you
Even your old friends treat you like you're somethin' new

Johnny come lately
The new kid in town
Ev'rybody loves you
So don't let them down

You look in her eyes, the music begins to play
Hopeless romantics, here we go again
But after a while you're lookin' the other way
It's those restless hearts that never mend

Johnny come lately
The new kid in town
Will she still love you
When you're not around?

There's so many things you should have told her
But night after night you're willing to hold her
Just hold her, tears on your shoulder

There's talk on the street, it's there to remind you
Doesn't really matter which side you're on
You're walkin' away and they're talkin' behind you
They will never forget you 'til somebody new comes along

Where've you been lately?
There's a new kid in town
Ev'rybody loves him (don't they?)
Now he's holdin' her and you're still around

There's a new kid in town
Just another new kid in town.
Ev'rybody's talkin' 'bout the new kid in town
Ev'rybody's talkin' 'bout the new kid in town
There's a new kid in town (I don't want to hear it)
There's a new kid in town (I don't want to hear it)
